

City of Kenmore Capital Improvement Program

Project Name: Simonds Road Pavement Overlay Project

Project No.: T-35

Project Location: Simonds Road (NE 163rd Pl – 92nd Ave NE).

Project Description: A 2 inch grind and overlay were performed on Simonds Road. Bike lanes were also added to the stretch of corridor, connecting to the existing bike lanes to the west. Changes were also made to 84th Ave NE including narrowing the crossing for pedestrians. A flashing crosswalk beacon was added to the 84th intersection.

Project Cost: \$1.1M

Project Complete: 2020
